## CLASSROOM MOVE-UPS

Children who are eligible to move up will have "visiting days" as openings occur in our older classrooms. Length of visits will depend on each child; sometimes a day is all they need. The teachers will let you know of their progress. You will be notified when your child is scheduled to move up, and you will receive a new Ages & Stages Questionnaire to complete. *As stated in our Parent Handbook, a new ASQ must be completed when children transition classrooms.*

## SUMMER VACATIONS

We know things can get a little relaxed and sometimes hectic during the summer, so please remember to let us know ahead of time about planned days off. Knowing this will help us grant some families' requests for extra days and time off for staff. You can stop by the office to let us know or just send us an email informing us of any days you plan on keeping your child out of school.

## CURRICULUM UPDATE

The following areas of focus are common topics that may emerge this month: exploration of bubbles, float and sink, transportation, weather changes and "Fathers are Special."

## WELCOME
