## TEACHER APPRECIATION WEEK

Thank you so much for helping us make "Teacher/Staff Appreciation Week" a success. We could not have done it without you! The teachers were all very excited to receive their daily tokens of appreciation.

## CLASSROOM TRANSITIONS

Children who are eligible to move to their next classroom will have "visiting days" **as openings occur** in the older classrooms. Length of visits will depend on each child; sometimes a day is all they need. The teachers will let you know of their progress. You will be notified when your child is scheduled to move up, and you will receive a new Ages & Stages Questionnaire to complete. *As stated in our Parent Handbook, a new ASQ must be completed when children transition classrooms.*

## SUMMER VACATIONS

We know things can get a little relaxed and sometimes hectic during the summer, so please remember to let us know ahead of time about planned days off. Knowing this will help us grant some families' requests for extra days and time off for staff. You can stop by the office to let us know or send us an email informing us of any days you plan on keeping your child out of school.

## CURRICULUM UPDATE

The following areas of focus are common topics that may emerge this month: "exploration of bubbles", "float and sink", "transportation", "weather changes" and "Fathers are Special."

## SUMMER ACTIVITIES

We will have a fun summer curriculum planned starting July through the end of August. Some of the summer highlights are Camping, Water Play and "Campfire" (Marshmallows & Graham Crackers). The summer plan will be sent with the July Newsletter and will also be posted on the parent board.
