This is an opportunity for parents to talk with teachers and with other parents, meet the staff, and get great information about the program and your child's new classroom. We hope to see everyone there.

Please remember, Back to School Night is for parents only.

We will have limited child care available for parents who are interested. Children must be at least two years of age. The cost is \$5 per child. Please see the office team to reserve your spot today.

PARK DAYS

Please do not forget to apply sunscreen to your child before they come to school. The children will be able to run through the sprinklers, splash in a shallow wading pool, and play in the "mud pit". The teachers will also go over water safety with the children :)

SUMMER CURRICULUM FUN

This month we will continue to have special outdoor activities for the children. We will have a sensory/splash week and a camping week complete with campfire s'mores! We will also be having a creative art/movement week filled with mural painting, playdough making and exploring with shaving cream! The children will also be exposed to a variety of science concepts when playing with water and bubbles on splash days!
