PLANTING OUR GARDEN

It's time to plant some goodies! Each class will be getting ready to prepare their garden boxes for planting fruit, flowers and vegetables. Parents, if you are interested in helping your child's class with their garden, please let the office team or your child's teacher know (immunizations required). This is a fun parent involvement activity! You are welcome to donate seeds or come in and help prep our garden area!

2018-2019 SCHOOL YEAR

If your child will be graduating from Edgewater this summer, be sure to let us know your departure date as soon as possible. **We require a minimum of two weeks' notice, but certainly appreciate a longer notice if possible.**

If you would like to change your child's schedule (adding or dropping days) we will be sending out a survey for you to fill out and return in April.

If the survey is not returned to us, we will assume that you will be keeping the same schedule for the 2019/2020 school year. Once classes are filled, there may not be a possibility of adding or changing schedules.

CURRICULUM

For the month of March, we will be talking about the "spring weather" (clouds, rain and the wind), "birds", "flowers/sprouting seeds" (gardening), "animals that hatch from eggs", and "the concept of big and small".

We will also be celebrating Dr. Seuss' Birthday, which is Saturday, March 2nd. We will be celebrating all month long!

ILLNESS POLICY REMINDER

This has been another exceptionally hard season for illness. Here at Edgewater, we follow all regulations and requirements to minimize the contagious aspects of the flu; however, we cannot be as effective if we do not have everyone's cooperation. If you notice any signs or symptoms of a contagious illness, please take the proper steps to refrain from spreading communicable diseases. **Children must be fever free for 24 hours without the aid of medication to attend school.** Please remain aware of our illness policy as stated in our Parent Handbook and inform the center of any contagious illnesses. Please make sure to wash your hands and your child's hands upon arrival. We appreciate your diligence in this matter. Children, the teaching team, and parents will all benefit from us working on this together.
