TEACHER APPRECIATION WEEK

Thank you so much for helping us make "Teacher/Staff Appreciation Week" a very sweet event! We could not have done it as wonderfully you! The staff were all very excited to receive their tokens of appreciation.

IMPORTANT DATES

Pre-K Graduation

The TK graduation is for children attending Kindergarten in Fall 2020. This year's graduation will be a little different, as we are adhering to social distancing guidelines. Children will participate in a ceremony which will be recorded. The video link will then be emailed to our families. You will have the link to view and share with family members. We know this is not the same as seeing the presentation live and celebrating as a group; however, we hope you will enjoy the video in its place.

School Closing At 4:00pm

School will be closing at 4:00pm on Thursday, **June 11th** for Staff Development.

Mud Day

On **Monday, June 29th** Edgewater will be participating in the International Mud Day Celebration sponsored by the World Forum Foundation.

To be prepared for the event, please send your child to school with their bathing suits under their clothes, a towel, and a change of clothes. - **Do Not Forget Sunblock!**

UPDATE ON JUNE EVENTS

With our existing pandemic the following **activities/events will be canceled.**

- **CANCELED** – Best Buddy Ice-Cream Social on **Wednesday, June 17th**

CLASSROOM TRANSITIONS

Children who are eligible to move to their next classroom will have "visiting days" **as openings occur** in the older classrooms. Length of visits will depend on each child; sometimes a day is all they need. The teachers will let you know of their progress. You will be notified when your child is scheduled to move up, and you will receive a new Ages & Stages Questionnaire to complete. *As stated in our Parent Handbook, a new ASQ must be completed when children transition classrooms.*

SUMMER VACATIONS

We know things can get a little relaxed and sometimes hectic during the summer, so please remember to let us know ahead of time about planned days off (**especially Thursday, July 2nd and Monday, July 6th**). Knowing this will help us grant some families' requests for adding extra days and time off for staff. You can stop by the office to let us know or just send us an email informing us of any days you plan on keeping your child out of school.

CURRICULUM UPDATE

The following areas of focus are common topics that may emerge this month: "Exploration of Bubbles", "Float and Sink", "Transportation", "Weather Changes" and "Special People in Our Lives."

SUMMER ACTIVITIES

July 1st is when we start our action-packed summer curriculum! Some of the summer highlights are Patriotic week, Ice Week, Mud Week, Camping Week with tents and a "Campfire" (with roasting Marshmallows & Graham Crackers) and more! The summer plan will be sent with the July Newsletter and will also be posted on the parent board.

REMINDERS

Water Activities

As the weather permits, we will start having water activities for the children in the morning as well as the afternoon. If you have an appointment or an errand to run after picking up your child, please let a staff member know so we can have your child ready.

Sunscreen

Do not forget to apply sunscreen in the morning before dropping your child off at school and think of protective clothes for your child.

LOOKING INTO JULY

***School Closed- Friday, July 3rd** for Independence Day
