DATES TO REMEMBER

School Closed

School will be **CLOSED, Friday, July 3rd**, in observance of Independence Day. Please notify us if your child will be absent on Thursday, July 2nd or Monday, July 6th.

Splash & Mud Days

We will begin incorporating splash and mud days into our summer curriculum. On the designated splash/mud days, please send your child to school with their bathing suit on under their clothes and a towel. Please label ALL items with your child's name. **Remember to apply Sunscreen!**

Pixies, Sprites & Munchkins = Tuesday the 7th and Wednesday the 15th

Pixies, Chipmunks & Muskrats = Wednesday the 8th and Thursday the 16th

TRANSITIONS

As you know, it is time for some children to start transitioning into the next classroom. Visiting allows for a slow and easy transition. Visiting and transitions may vary based on the needs of the child. Some of the younger children may remain with their current classroom and some may require longer transition periods. After transitions are complete, the children's cubbies will be moved to their new classroom, and their sign-in sheets will be moved to the appropriate classroom folder. Children who will be transitioning to the next classroom will be in their new classes by September.

VACATIONS

Do you have any vacations planned? We know things can get a little relaxed and at the same time hectic during the summer, so please remember to let us know ahead of time about planned days off. Knowing this will help us grant some families' requests for extra days, and time off for staff. You can stop by the office or send an email informing us of any planned days off.

LITTLE FREE LIBRARY

You may have noticed our "Little Free Library" right in front of the school walkway. The concept is easy: "Take a Book, Return a Book." We hope you and the community enjoy it! This is an effort to encourage and support the love of reading. These books can be for both children and adults, and we are currently in need of both kinds to fill our library! *Please remember, these books are not for the school; they are for you to enjoy at home.*

CURRICULUM

This month we will have special outdoor activities for the children, including camping, prehistoric, and sports/movement week, filled with games and themed activities including Splash and Mud days. The children will be exposed to a variety of science concepts when playing with water and learning about dinosaurs and archeology!

***Attached you will find our Summer Curriculum with all the activities scheduled for July and August!**

REMINDERS

* The weather is getting hot! Do not forget to apply sunscreen on your child in the morning before leaving the house.

*Children go outside each day. Please make sure your child's "extra clothes" are weather appropriate. Borrowed items must be washed and returned promptly.

* Core children must be picked up by 3:00pm. If your child attends any time after 3:05, it will be considered "extra hours," See parent handbook for associated fees.
