WELCOME TO THE WORLD

We would like to congratulate Collin (Pixies), Camille (Munchkins) and Kaia (Sprites) for welcoming babies Leo, Finley, and Kody into the world!

PLANTING OUR GARDEN

It is time to plant some goodies! Each class will be getting ready to prepare their garden boxes for planting fruit, flowers, and vegetables. You are welcome to donate seeds to help prep our garden.

CURRICULUM

This month, we will be talking about the "Spring Weather" (clouds, rain, and the wind), "Birds," "Flowers/Sprouting Seeds" (gardening), "Animals that Hatch from Eggs," and "The Concept of Big and Small."

We will also be celebrating Dr. Seuss's Birthday, which is Tuesday, March 2nd. We will be celebrating all month long by reading his books in class!

DATES TO REMEMBER

School Closed

School will be **CLOSED** on **Friday, March 11th** for Staff Continuing Education Day. This is an opportunity for our entire team to continue to grow and improve to provide the best experience for your children, including reviewing our safety and emergency procedures! Thank you for your continuous support and efforts!

Spring Pictures

Spring pictures will be on **Tuesday the 22nd and Wednesday the 23rd**. Pictures will start around 8:00a.m. Children eligible to graduate to kindergarten in fall the of 2022 will also be photographed in a cap and gown. If you would like your child to take pictures in a special outfit, shirt, etc., send them to school wearing what you would like them to take their picture in, and we will change them after they have taken their picture. More information will be emailed as picture days near.

Scholastic Book Orders

Scholastic book orders due **Friday, March 18th**. Orders can be submitted to the office or online at <http://www.scholastic.com/cl89ubordering>.

Our online activation code is: GZX8D.

Parent/Teacher Conferences

Our graduating children (Muskrat and Chipmunk children entering kindergarten in the fall of 2022) will have the opportunity to set up a parent/teacher conference on **March 17th**. Parents will have the opportunity to meet with their child's teacher, share ideas, receive information regarding children's developmental progress and find out what their child enjoys most about school. The teachers look forward to meeting with you!

Due to the current pandemic, all conferences will be via phone call. We ask that you set time aside from your busy schedule to have your full attention on your conference. As time nears, we will be in contact with families of graduating children with further information.

Daylight Saving Time

Daylight Saving Time begins **Sunday, March 13th**. The beginning of daylight-saving time can cause sleep problems for the whole family. Younger children (and parents) especially, might struggle after "springing forward." Making some small changes to your child's sleep schedule beforehand can help cushion the transition.

2022-2023 SCHOOL YEAR

If your child will be graduating from Edgewater this summer, be sure to let us know your departure date as soon as possible. **We require a minimum of two weeks' notice, but certainly appreciate a longer notice if possible.**

If you would like to change your child's schedule (adding or dropping days), we will be sending out a survey for you to fill out and return in April.

If the survey is not returned to us, we will assume that you will be keeping the same schedule for the 2022/2023 school year. Once classes are filled, there may not be a possibility of adding or changing schedules.
