SPRING CURRICULUM

The following are topics of curriculum that may emerge this month: "Spiders," "Snails," "Caterpillars," "Butterflies," and "Silkworms and other insects." We will continue to talk about spring and animals that hatch from eggs. We will also be observing the incubation of chicken eggs. The purpose of the Week of the Young Child is to focus public attention on the needs of young children, their families, and to recognize the early childhood programs providing services to them. We will have a week full of fun activities and themes for the children (see attached flyer).

Tanaka Farms Strawberry Picking Field Trip

The preschool children will be going to Tanaka Farms to go strawberry picking! This field trip is open to Munchkins, Chipmunks, & Muskrats. Children in the Sprites classroom are welcome to attend the field trip but must be accompanied by an adult. All children must have fully mastered the potty learning process, unless accompanied by an adult.

All chaperones must submit proof of their pertussis (Tdap), measles (MMR), 2022 flu vaccine (waiver available), TB test (dated within the last year), and sign a statement of good health (forms available in the office).
