TRANSITIONS

As you know, it is time for some children to start transitioning into a new classroom. Visiting allows for a smooth and easy transition. Visiting and transitions may vary based on the needs of each child. . The teachers will work with each child to meet their needs to assure a positive experience. After transitions are complete, the children's cubbies will be moved to their new classroom, and their sign-in sheets will be moved to the appropriate classroom folder.

LITTLE FREE LIBRARY

You may have noticed our "Little Free Library" right in front of the school walkway. The concept is easy: "Take a Book, Return a Book." We hope you and the community enjoy it! This is an effort to encourage and support the love of reading. These books can be for both children and adults! These books are not for school; they are for you to enjoy at home.

VACATIONS

Do you have any vacations planned? Please remember to let us know ahead of time about planned days off. Knowing this will help us grant some families' requests for extra days, and time off for staff. You can stop by the office or send an email informing us of any planned days off.

CURRICULUM

This month we will have special outdoor activities for the children, including patriotic, construction, sports/movement, camping, and prehistoric week, filled with games and themed activities including Splash and Mud days. The children will be exposed to a variety of science concepts when playing with water and learning about dinosaurs and archeology!
